

The only difference between death and taxes is that death doesn't get worse every time Congress meets.

Will Rogers

The time to save is now. When a dog gets a bone, he doesn't go out and make a down payment on a bigger bone. He buries the one he's got.

Will Rogers

Half our life is spent trying to find something to do with the time we have rushed through life trying to save.

Will Rogers

The only time people dislike gossip is when you gossip about them.

Will Rogers

In Hollywood you can see things at night that are fast enough to be in the Olympics in the day time.

Will Rogers

The time to take counsel of your fears is before you make an important battle decision. That's the time to listen to every fear you can imagine! When you have collected all the facts and fears and made your decision, turn off all your fears and go ahead!

George S. Patton

Do your damnedest in an ostentatious manner all the time.

George S. Patton

There is a time to take counsel of your fears, and there is a time to never listen to any fear.

George S. Patton

Drugs are a waste of time. They destroy your memory and your self-respect and everything that goes along with with your self esteem.

Kurt Cobain

I was looking for something a lot heavier, yet melodic at the same time. Something different from heavy metal, a different attitude.

Kurt Cobain

Any time you've got nothing to do and lots of time to do it come on up.

Mae West

Any time you got nothing to do - and lots of time to do it - come on up.

Mae West

I guess the real reason that my wife and I had children is the same reason that Napoleon had for invading Russia: it seemed like a good idea at the time.

Bill Cosby

Nothing separates the generations more than music. By the time a child is eight or nine, he has developed a passion for his own music that is even stronger than his passions for procrastination and weird clothes.

Bill Cosby

Just in terms of allocation of time resources, religion is not very efficient. There's a lot more I could be doing on a Sunday morning.

Bill Gates

This is a fantastic time to be entering the business world, because business is going to change more in the next 10 years than it has in the last 50.

Bill Gates

People always fear change. People feared electricity when it was invented, didn't they? People feared coal, they feared gas-powered engines... There will always be ignorance, and ignorance leads to fear. But with time, people will come to accept their silicon masters.

Bill Gates
